

STERLING 6 SITE REGISTRATION APPLICATION

This form should be completed and returned to your Sterling 6 Dealer in order to register a system for system warranty. When the form and relevant site test data have been inspected and recorded, a registration number and site certificate will be issued. The certificates are confirmation of acceptance that the site installation qualifies for the Sterling 6, 25 year warranty. Please note that YEG Cabcon reserves the right to audit a system before certifying and registering a system.
