Desktop power unit

P-Pack Desktop units – with powered USB charger & Cat 6 Data

Model shown P-Pack Desk 2/2SU

- 5V 3.4A dual port USB charger
- Master switch as standard
- Tough ABS extrusion
- 45° angled sockets
- Individually fused to BS6396:2008
- Cat 6 couplers
- Conforms to BS1363 and BS5733
- 500mm to GST18 connector

The Power Pack Desktop utilises an ergonomic modern shape which has been designed to blend in seamlessly with other desktop items such as telephones, monitors, keyboards and laptops etc.

Twin powered 5V 3.4A USB sockets add to the versatility at the desktop. Aside from the powered USB, Cat 6 data couplers are employed backwards compatible with Cat 5e and voice cables so costs can be controlled from the onset.

Manufactured from a tough ABS plastic extrusion, the same key components from the established and reliable P-Pack under desk product range are used on the desktop to maximise the system performance. Each desktop comes with a pair desk clamps.

Powered UK and USB sockets, Cat 6 data
